	Wed	20	Last day of term(staff)			

Dear Parents,

It's hard to believe that we are nearly half way through this term. From all accounts the students had a fantastic time away at Feathertop Camp in Harrietville last week. I would like to take this opportunity to thank Leonie, Joseph and Kat for all the time and effort put into making this experience great for all involved. Thank you!!

Can you please note the following:

Students of the Week

Tyler- creating an engaging piece of writing

Sally- caring for the junior students on camp

Oscar- determination when learning tricky maths concepts

Lachie- facing your fears and giving each activity a go on camp

Orlando- fantastic reading and working at being his best

Ned- a fantastic positive attitude on camp

Cluster Camp

On the week of the 27th of November, our 3-6s will be participating in our yearly Cluster Camp from Tuesday the 28th November through to the 1st December.

Information has gone home for the 3-5 co-hort and the Grade 6 information will come home shortly.

School Photos

Friday the 10th of November we will be having our annual school photos taken. Forms have gone home for this and are due back before photo day.

Pupil Free Days

There are a number of Pupil Free Days this term to put into your diaries.

They are the 16th, 17th and 21st of November and Wednesday the 20th December.

These are for Professional Development and Report Writing.

Our transition days have been a wonderful opportunity for our 2024 Foundation students to get to know the classrooms and their fellow students. They have experienced Art, Library and normal classroom routine. We would like to welcome Archie, Rosie and Angus to Greta Valley PS. (Angus was absent today)

Transition

Thank you

Staff of Greta Valley PS

A black rectangular graphic with white and red text. At the top, it says "CRAFTED BY COOPS" in large, bold, white letters. Below that, in smaller white letters, it says "New Homes - Renovations - Extensions" on a red background. In the center, it says "Brenton Cooper: 0404 05 28 32" in white. At the bottom, there are three icons: a Facebook 'f' logo, the email address "craftedbycoops@gmail.com", and an Instagram camera logo.
