CYBER SAFETY EVENING

Tomorrow, Thursday 12 June our senior class will be joining the other Grade 3/4/5/6 children from the cluster at the Swinburne Pavilion in Whitfield for a Cyber Safety session. This is an extremely important topic for children now living in this digital age. This will be followed by a session for teachers after school and then a Parent Information evening beginning at 6.30pm. I encourage as many of you to attend as possible as this will be a very valuable evening.

BIKE TRAILER – 16TH JUNE

Next Monday 16th June, we will have the bike trailer here at school for a week. Glen Clarke will set up a circuit with bike skills for the children to use for the week.

We need all children's bikes and helmets here on Monday 16th June for the week.

Most P-2 students have their bikes here from the bike hike last week. It will be up to you to choose whether to leave them here until then or pick them up (some children have been asking to take them home) and return them by the 16th June.

WOOD CUTTING

Please get in touch with either James Chambeyron (5727 6116) or Howard to let us know if you are able to come to our wood cutting day at the 15 Mile Creek Camp on Saturday, 14 June. Going by last year, we will only be there for a few hours (starting at 9:30am) and a BBQ lunch will be provided.

HEAD LICE

We have had a report of Head Lice at the school. Can parents please read the attached information sheet and check their children's hair tonight.
