GUMBOOT AND SLIPPERS

We have had a lot of wet feet this week, so perhaps your children could wear rubber boots and bring slippers along for inside.

TERM 3 TEACHER

Welcome back to the new term everyone. This term we have Emma Moir replacing Howard in the Grade 3-6 classroom. Students already know Emma as she has been a regular relief teacher for Greta Valley Primary, teaching in both classrooms from time to time. Welcome Emma, and we hope you enjoy your time here at Greta Valley.

MYSTERY DINNER THANKYOU

We raised the fantastic amount of \$3000.00 at our Mystery Dinner evening. The night was fun filled and the food was fabulous. There are a number of people to thank for making this evening the great success it was. Howard did a fantastic job cooking most of the food. Joanne, Elsie, Ros and Rob all helped in the kitchen cooking some dishes, setting-up, serving and washing up. Tim manned the wine table and Tina and Lisa were on the door and then acted as general kitchen hands too. Elsie worked tirelessly organising the evening and contacting many of our sponsors. So an enormous thank you to all of you and to those who came along, as I did, and enjoyed being treated to fun, food and wine. Thank you for supporting our school. The money raised will support our excursions and camps.

GARDENING HELPERS

We are after some parents who can give us some time on a Friday afternoon to help kids in our newly established Gardening Club. The club will work at maintaining our vege patch. Please let us know if you can help out. We would like to start next week.

BOOKCLUB

Issue 5 of Bookclub is attached and due back by Friday 25th. If paying by cheque please make payable to the school.

FUNDRAISER

We have been offered a table at the Lurg Hall 'Hot August Night' food and wine event on Saturday August 16th. Kris and Tina have offered to work at the stall selling gourmet goodies. Anyone else wanting to help on the night is most welcome and we would encourage as many of you as possible to bake or make for the stall. If you could make jams or preserves the school can provide nice jars. Contact us next week. If you have pre-made bottled produce we can label them with a flash label and pretty them up. Cakes or biscuits would also be great. We would appreciate them being delivered to the school on the Friday before the evening so we can spend some time adding the finishing touches.

CRAFTY STUFF FOR PROJECTS

Our current theme students are studying is Sustainability. Lisa would like clean milk cartons/containers and cling wrap type rolls for projects that will be worked on through the term.

SNOW CAMP

The ski camp this year will be on Monday Aug 18th to Wednesday 20th. It will be at Falls Creek with the children sleeping on the mountain at the Myrtleford ski lodge. Prices will be similar to last year which was around \$175.00 per child which is a huge subsidy as this is a very expensive but fantastic camp. Payment will be required prior to the camp. If spaces are available grade 4 children MAY be offered a place however that is only a MAYBE. I would like to hear from parents asap if your grade 5 or 6 child will be attending and also if you can come along as a driver or helper. Drivers must have experience driving in alpine conditions and helpers must be able to ski.
