THE LION KING FOR 2015

Next year we have the opportunity to go to Melbourne to see The Lion King at the Regent Theatre. We can get a great discount for a school group of 20, with the tickets costing \$65.00 per child, a saving of \$35.00 per child. This is a terrific opportunity for your child to see a high quality production at such a discounted rate. The school may be able to subsidise the tickets a little for the children, or pay for transport. We will discuss this as a school council nearer the time. Adult tickets cost \$90.00. At this stage we would like to gauge interest and see how many of you would take up this offer. Please indicate on the slip below and return before the end of term.

Yes the.....family would be interested in the offer of discounted tickets for their child/children

**PRESENTATION EVENING
COMMUNITY DANCE
THIS FRIDAY 7.00PM**

We have been practising a lot this week and the students are excited to be presenting the dances to parents and friends this Friday.

As previously mentioned, the Bush Dance replaces our presentation night this year. For new families, our Presentation evening has been held at school at the end of term 3 so families can spend a social evening and the children can showcase some special work.

This year we are showcasing bush dancing and we would like to see everyone there. The children have been practising all year.

School families are asked to bring a plate of supper to share. Children must be at the hall by 6.45pm.

Bring along family friends and neighbours

Please make every effort to support our school and your child by being at this event. If enough of your friends and neighbours attend too, our school will profit from the funds.

NAPLAN

I would like to share with you the excellent results our grade 3 and 5 children achieved in their NAPLAN tests this year. While these tests are only a snapshot of how the children have performed on one given day with one particular test, it is none the less encouraging to see such great results. The results are for Literacy and Numeracy and show the children have achieved pleasing individual improvement in both curriculum areas. It is a testament to the committed teaching and attention to individual needs at Greta Valley P.S.

If your child is in this grade level please contact the school so we can give you their results and discuss their achievements.

KING VALLEY KITCHEN GARDEN BENEFIT

This evening is fast approaching and our school has only been allocated 50 tickets. We have already sold 20, so if you are planning to come, you should call the school soon to order your tickets before they are snapped up. A \$50 ticket gets you a 3 course meal, great music and a chance of winning \$3000.00. You can purchase a ticket as a chance to win the \$3,000 and not attend if you like, however you will miss some of the fun. I guess that won't matter if you win the \$3,000!!
