THE LION KING IN 2015

Yes the.....family would be interested in the offer of discounted tickets for their child/children

FUNDRAISER THANKYOU

We have had some wonderful feedback from our Bush Dance last Friday. The success of any function is contributed to the input and assistance we receive. Thankyou to all of you firstly for coming along and also for bringing along the delicious supper we had to share. A very big thankyou to Leonie for booking the band and teaching our children the dances. A special thankyou to the parents who gave their time in the supper room and helping to clean up. We made a \$200.00 profit on the night after paying the band \$500.00 and the hall hire of \$100.00.

Thankyou to the Grade 6 families and Emma who supported the Tatong Market. The Grade 6 children made \$281.00.

A family have suggested the Grade 6 children have a stall at the Wangaratta Market in Term 4. The proceeds would go toward their Melbourne camp. Before committing I would appreciate a show of interest. Let me know your thoughts.

WORKING BEE

School Council have called a pre fire season working bee on Sunday October 19th. Further details in next terms Newsletter. Please keep this date clear.

KING VALLEY KITCHEN GARDEN BENEFIT

This evening is fast approaching and our school has only been allocated 50 tickets. We have already sold 20 tickets. We need parent and community support to enable this program to continue. If you and some friends can come along and enjoy a fantastic night out (see below) you are helping your children access a quality program which is available in only a few schools in the state. Please consider a group from work or invite another couple or have a girls night out.

WE NEED YOUR HELP TO MAKE THIS WORK!

This event has the potential to save our school \$3000.00-\$4000.00 for the Kitchen Garden program and chefs wages.

Oprah's Opening Act to Perform at King Valley Kitchen Garden Benefit.

Highly acclaimed singer, Paris Zachariou, who performed for the opening of Oprah Winfrey's show at the Sydney Opera House, will be singing in the King Valley. Paris will perform in support of the students of the King Valley Cluster Schools at the King Valley Kitchen Garden Benefit on 10 October at the Whitfield Recreation Reserve.

The schools of Edi-Upper, Greta Valley, Moyhu, Myrree and Whitfield are fundraising for the King Valley Kitchen program, which works with Stephanie Alexander's Kitchen Garden Foundation on food education programs in schools. The organisers hope all 250 tickets will be sold and are offering great cash prizes - the highest being \$3,000 - to attract the community to the benefit. Along with cash prizes totalling \$4,000, there will be a silent auction, dinner, dancing, and drinks
