BIKE EDUCATION

We begin our bike education program next term leading into the bike hikes for each grade. Could you bring your child's bike / trike and **helmets** to school on Monday 13th April in preparation for the program which will start on Tuesday 14th? Bikes will be stored in the locked bag room each night. Please take a little time over the holidays to check your child's bike and make sure it is in a tip-top, safe condition with pumped up tyres and brakes that work. (That way your child can engage safely with the program rather than be delayed while we do the bike maintenance!)

ATHLETIC SPORTS

Term 2 is a term with lots of physical activity. Our cluster athletic sports are on May 19th and we will be doing aths practise and plenty of running, leading up to this. We ask that each child brings their runners every day. They can wear them for the day or keep them in their bags and wear them when we do our sports practise....so long as they have them available each day.

UNIFORM ORDER

Attached to the newsletter is a Winter uniform order. These are to be returned on the first Wednesday back from holidays.
