### THANK YOU EVERYONE

I would like to thank each and every one of you for being some of the best children, parents and staff, anyone could have worked with over the last almost 16 years. A particular thanks to all who organised, helped and attended the BBQ on Friday evening, particularly Elsie and Leonie. It was overwhelming and very much appreciated. Thank you for the beautiful gift to which I understand many of you contributed. It will take pride of place in my garden and I am looking forward to having the time to decide just where to put it.

Having said that, it is with some sadness too that I say goodbye. I will be about and involved in some way with Greta Valley P.S. in the future I'm sure, although in a different capacity. (maybe as the gardener!)

Once again thank you to all of you for your support, friendship, humour, and commitment to me and Greta Valley P.S. It has been a pleasure to share the privilege of seeing your children grow and blossom.

Kris

### CURRICULUM DAY 1<sup>ST</sup> MONDAY OF TERM 3

Howard and the staff have decided to have a curriculum day on the first Monday of term 3 which means the children have one more day of holidays.

The day will be used to plan for the new semester and to allow the staff an opportunity to share this with the new teacher who will be appointed for the term.

# MISS BUCKLEY'S WEEKLY AWARD

You're a star Aaron for being kind and caring towards your classmates.
