MOWING ROSTER

Tim Northey
Shannon Murphy
David Boonzaayer
Peter Paccagnan
Gill Cunneen
Scott Flanigan

Return the key to school when mowing is done. Thank you

Dear Parents,
Can you please note the following:

Dear Parents
Welcome back to the final term for the year – a busy term with lots of amazing things planned starting off with our camp to Portsea next week for the whole school.

Can you please note the following:

Thank you

Thank you Fleur Cavicchiolo and Elsie Northey who volunteered to help out last Saturday at the King Valley Challenge. The funds that we raised from the café will go to our cluster Stephanie Alexander Kitchen Garden program.

Thank you also Karen Cursons for attending to our chooks during the holidays.

Portsea Camp

Yesterday you should have received a note regarding next week's camp. Please note that we need children to be here no later than **7:40am** so we can pack the bus in readiness for an 8am departure. Our anticipated time of arrival back home is 4:30pm on Friday. If this is going to vary we will contact you that afternoon.

A list of requirements was included in yesterday's note.

I can guarantee your children will come home tired, but that is to be expected. Once they have rested I'm sure they will fill you in on all the adventures they had.

Hats

As part of our SunSmart policy may I remind you that all children must wear a hat whilst outside during Terms 1 and 4. Please ensure your child has a suitable hat to wear. Each classroom has its own supply of sunscreen for the children to access as well.

Student Absence

A reminder that we would appreciate notification of your child's absence for whatever reason as we are required to report twice a day to the Department on each student's attendance. A simple phone call or note will suffice.

Leftover Bowls/Plates

We still have a number of bowls and plates that are leftover from our Inventions family night. Please call in and collect these if yours is still here.

Aspirations Day

On Friday 3 November our Grade 4/5 children will be joining with the other King Valley schools senior children at the Wangaratta High School for an Aspirations Day. All the children have been surveyed as to what their aspirations are, and based on their responses we have organised people to come and talk to the students about various careers. Over the course of the day the children will participate in 6 different workshops. Our aim is to broaden children's understanding of careers and also of the huge variety of options that are available to them. Options in the middle session will be off site, so the children will choose to visit one industry such as Police, Fire, a nursery or the TAFE Equine centre. It all promises to be a great learning experience for these children.

A permission form is attached for these students. Please complete it and return as soon as possible.

Mowing

Now that spring has sprung, the grass is growing quickly and little creepy crawlies

are around. Therefore we will need the grass to be mown every week now to keep the students safe. Thankyou those of you on our Mowing Roster.

Fundraising Notes

Moyhu Garden Market Stall - Saturday 21 October
